Copy of letter No-A1-OC 92/48xdd dated 23rd September 48 from the President, Town Municipal Council, Mandya, to the Deputy Commissioner, Mandya District

---

I have the honour to state that the Conservancy establishment of this Municipality provides for the post of a Conservancy peon on pay of Rs 16-½-20 in the revised scales of pay as now proposed in which vacancy one C Dasappa is working as such The incumbent though designated as a conservancy peon has been actually doing the duties of a Conservancy Maistry whose revised scale of pay is Rs 25-1-30 and the incumbent has been effecientlly discharging ~~kkx~~ his ~~dxxxk~~ duties more as a Conservancy Maistry than as a Conservancy peon as his services are being utilised for supervising the cleaning work of the town and extensions by sweepers There is therefore no necessity of the services of a Conservancy peon and the strength of the sweepers has also been considerably increased and the necessity of another maistry on the same scales of pay as that of the other maistries is keenly felt The incumbent having represented that though he has been doing the duties of a Maistry he is being paid the rate of pay of a peon the representation was placed before the Municipal Council, for their information and furnishing their opinion in the matter of recommendation to Government when they were of opinion that the President of the Municipal Council may take such suitable action as is deemed necessary An ex ract of the Councils resolution on subject No 13/48-49 dated 30-8-48 is herewith enclosed for perusal

In view of the fact that the services of C Dasappa are more essential as a corservancy maistry than as a peon and as there is necessity of a Maistry only as against the sanctioned post of a peon and as the work of the incumbent is also satisfactory I reuest you kindly to recommend to Government to accord approval ~~xxx~~ to the cancellation of the post of a conservancy peon and to convey sarction to the increasing the number of conservancy maistries from 3 to 4 with effect from 1-7-48 and to meet the expenditure on this account out of the probable saving out of the provision made in the Budge for 48-49 under 'Establishment Conservancy and Sanitation
